The Senior Party was centered around the Mardi Gras theme. Clown masks, confetti, and money-filled balloons reflected the gaity of the graduating seniors. In the two rooms, dancing, food, and drink were partaken of by the guests. Entertainment, games, and prizes were enjoyed by everyone. Donna Parli won a silver dollar. (really, Ernie won it.). Karen Elder was one of the happy people who got radios; Peg Murray came away with a gift certificate from Irene's; Lynda Todd received a purse from Vogue; and Nancy Lloyd was the proud winner of a gift certificate of Procter's Cleaners. These were just a few of the people with winning streaks at the event. All through the long night the seniors had a marvelous time until three o'clock in the morning when the Mardi Gras finally came to an end.

To every thing there is a season,
and a time to every purpose
under the heaven:
A time to be born, and a time to
die; a time to plant, and a time to
pluck up that which is planted;
A time to kill, and a time to
heal; a time to break down,
and a time to build up;
A time to weep, and a time to
laugh; a time to mourn, and a
time to dance;
A time to cast away stones, and
a time to gather stones together;
a time to embrace, and a time to
refrain from embracing . . .
A time to love, and a time to
hate; a time of war, and a
time of peace.

Putting together a good yearbook takes lots of time and effort. Each member of the El Granito staff has done his job to publish an El Granito that the students will be pleased with. In this 1960 El Granito, we have tried to demonstrate how our school keeps pace with the times. We did not do this alone, though . . . our professional photogra-

## We Honor . . .

Mr. Rufus Roth who began teaching Agriculture Science at PUHS in the school year of 1950-51. This past year he has taught both Ag. Science and General Science and has been the advisor for the F. F. A. Club.

At the end of this year, Mr. Roth is planning to retire after ten years of excellent teaching in our school. We are sorry to lose such a conscientious teacher, but we hope that he will have many years of well-earned leisure.

# Dedication

Mr. Toole is known and loved by everyone at Porterville Union High School. No matter where he is or what he's doing he always has time to talk to anyone that comes along.

Since the 1928-29 school year Mr. Toole has been teaching in various subjects and winning the admiration and friendship of all those who worked with him.

Although he has taught Physical Education, Business, Shop and General Mathematics, and Orientation his main subject has been Science. He has also served as Sophomore and Junior Counselor, advised student body activities, and served as advisor to Council. Of all the above services he is probably most famous for the snackbar he runs in the boys' gym. Every noon will find Mr. Toole faithfully selling at the Council snackbar.

At all the home football and basketball games he also sells refreshments.

And so, after thirty-two years of much appreciated service, we, the class of 1960, are humbly honored to dedicate our 1960 El Granito to Mr. Clarence Toole.

Mr. Rufus Roth

"Time" is generally considered to be the measurement of an interval between two events or happenings. It could be a period of history, such as the four year span of high school life, during which the average student spends his time keeping "in time."

Common habits and customs are traditionally a part of high school. Knowing what to do, what to wear, when to play, and when to study are all part of keeping "in time" with other students. Recognition of this is important.

Our seniors reflect a new approach to high school life, for student acceptance of the necessity of good study habits and good grades has made progress in recent years. I hope this trend will continue, for only through hard work and application to studies can our graduates hope to keep "in time" in a competitive world.

Mr. Don O. Howard

For each of you there has been, and should continue to be, a time for work and a time for play. It is desirable that you pause for a moment to evaluate your progress, take pride in your successes, and then press on to higher goals.

Make each day count as a priceless jewel added to your crown of successes, and, never let it be said that you rested upon past accomplishments. The goals you strive for each day must never become so important that you forget the value of a helping hand to your fellow man.

The word counselor means more than just "an advisor" to the students at P. U. H. S. To us counselors are friends who are always ready to help us in times of trouble, to encourage us when we need just that one little shove, and to rejoice with us when we have some deserved success. They guide us in choosing classes, colleges, and careers.

Besides doing an excellent job of the almost impossible task of unfrustrating us very frustrated teenagers, they have the difficult, though rewarding work of directing the class assemblies.

We are grateful to our counselors who do so much for us while also teaching in the various departments.

Each year quicker and fancier methods of packaging food are invented. Regardless how many ingenious ways there are to wrap the products however, there still must be someone to grow them.

The agriculture department teaches the students the latest scientific methods in the production of animal and crop projects and develops agricultural leadership, cooperation, and citizenship.

# Science

The emphasis in these times is being placed increasingly on science. Although we are probably most aware of the Chemistry classes — due to the faint perfume which at times comes floating down the hallway of the S-building—there are many other science classes open to students. Biology, General Science, Physiology, Physical Science, and Physics are also studied. These classes are especially important in beginning the training of many future scientists.

# Arts and Crafts

In the art classes, students concentrate on the use of color and design, drawing and painting skills, and greater appreciation for art techniques which have been handed down to us through the ages. Art classes also study commercial and interior decoration, costume design, and landscapes.

The craft classes are organized to give students basic instruction in crafts which they might use for more enrichment in their later life. Pupils learn craft techniques, craft fields, some crafts such as leather tooling, ceramics, jewelry work, copper tooling, and design in three dimensions.

This department is enjoyed by all members while they receive valuable instruction.

# Business

The United States is rapidly changing from an agricultural to an industrial nation. The business world is also progressing at a rapid speed. Therefore the need for business majors is becoming more demanding each year.

The business courses offered include: typing, shorthand, bookkeeping, business machines, transcription, business correspondence, business math, general business consumer education, salesmanship, and law.

These courses will aid today's youth in becoming tomorrow's business leaders.

Driver Training Teachers, (left to right): Mr. Oliver Macomber; Mr. Ernest Shearing; Mr. William Robbins.

# Driver Training

Driver Education is a necessity in these times of high-speed automobiles and crowded highways. The classroom part of driver education is taught in the Social Studies I course. In the actual driver training instruction, given in the dual-controlled driver-training car, the techniques learned in the classroom are applied as the student learns by experience the correct way an automobile should be handled.

# Girls' P. E.

This year has seen the Girls' Physical Education classes nonchalantly vanishing inside of the new locker and shower room, which was completed last spring, as though they have been using it forever.

P.E. forms a very necessary part of our school day. Archery, tennis, soccer, softball, and Modern Dance are but a few of the many sports and activities which are enjoyed in this class.

The main purpose of Physical Education is to help to develop the individual in mental, physical, emotional, and social adjustments through vigorous and diversified activity.

# Boys' P. E.

Sometime in the near future it may become common practice to travel to and from the moon and other planets. This sort of travel will necessitate a strong mind and body.

It is a part of the boys' Physical Education program to develop these strong minds and bodies.

Good sportsmanship and co-operation are also gained through the participation in sports such as football, basketball, and baseball.

Boys' P.E. Teachers, (left to right): Mr. Robert Otto; Mr. John Trantham; Mr. Sim Iness; Mr. Orval Gillett; Mr. Forrest Mock.

# Homemaking

Home Economics Teachers, (left to right): Mrs. Effie Drollinger; Mrs. Katherine Rodgers; Mrs. Marion Bartlett; Miss Ramona Smith.

The marriage ratio has risen greatly among girls not yet graduated from high school.

This fact makes it even more important that a complete course on the management of a home and the arts of sewing and cooking be offered in all four years of high school.

Not only are these courses offered here at P.U.H.S., but for those who wish an even greater and more extensive opportunity a branch of the national Future Homemakers of America club has been established.

# Industrial Arts

The members of the Industrial Arts classes are given vital instruction in such fields as carpentry, printing, woodwork, metals, auto shop, and electricity.

Craftsmen are becoming more and more important in the operation of the technical world we live in. These students of today will be seen by Time as leading industrialists and craftsmen tomorrow.

Social Studies I, formerly called Orientation, is a required class for all Freshmen. The course is designed to help Freshmen in adjusting to everyday problems relating to their school life, to improve their health standards, and to teach Driver Education. Social Studies I also serves as a "homeroom" class where the students elect a representative who meets with other Social Studies I representatives in a council that plans Freshmen events such as the class assembly and the class picnic.

# Foreign Languages

For many years courses on French, Latin and Spanish have been offered in P.U.H.S.

Through these classes much valuable information is learned. The Spanish language enables us to have better relations with Latin-America. French takes us on a journey to the land of beauty and excitement. And from Latin we gain a greater understanding of our own English language.

Now in the true spirit of keeping up with times a language has been added to the course of study. This is the language of German. As much of the population of the central European countries speak German and as it is especially important to establish an understanding with these people a course in this language is much needed.

No matter what the time, man needs to be able to express his feelings fully in order to be understood. Now, as never before, there is this need to be able to communicate intelligently with each other. In the English Department our teachers prepare us for the future by teaching us the correct usage of the fundamentals of the English language. We also study the works of the great masters of English literature and learn from them many important techniques and methods of expression.

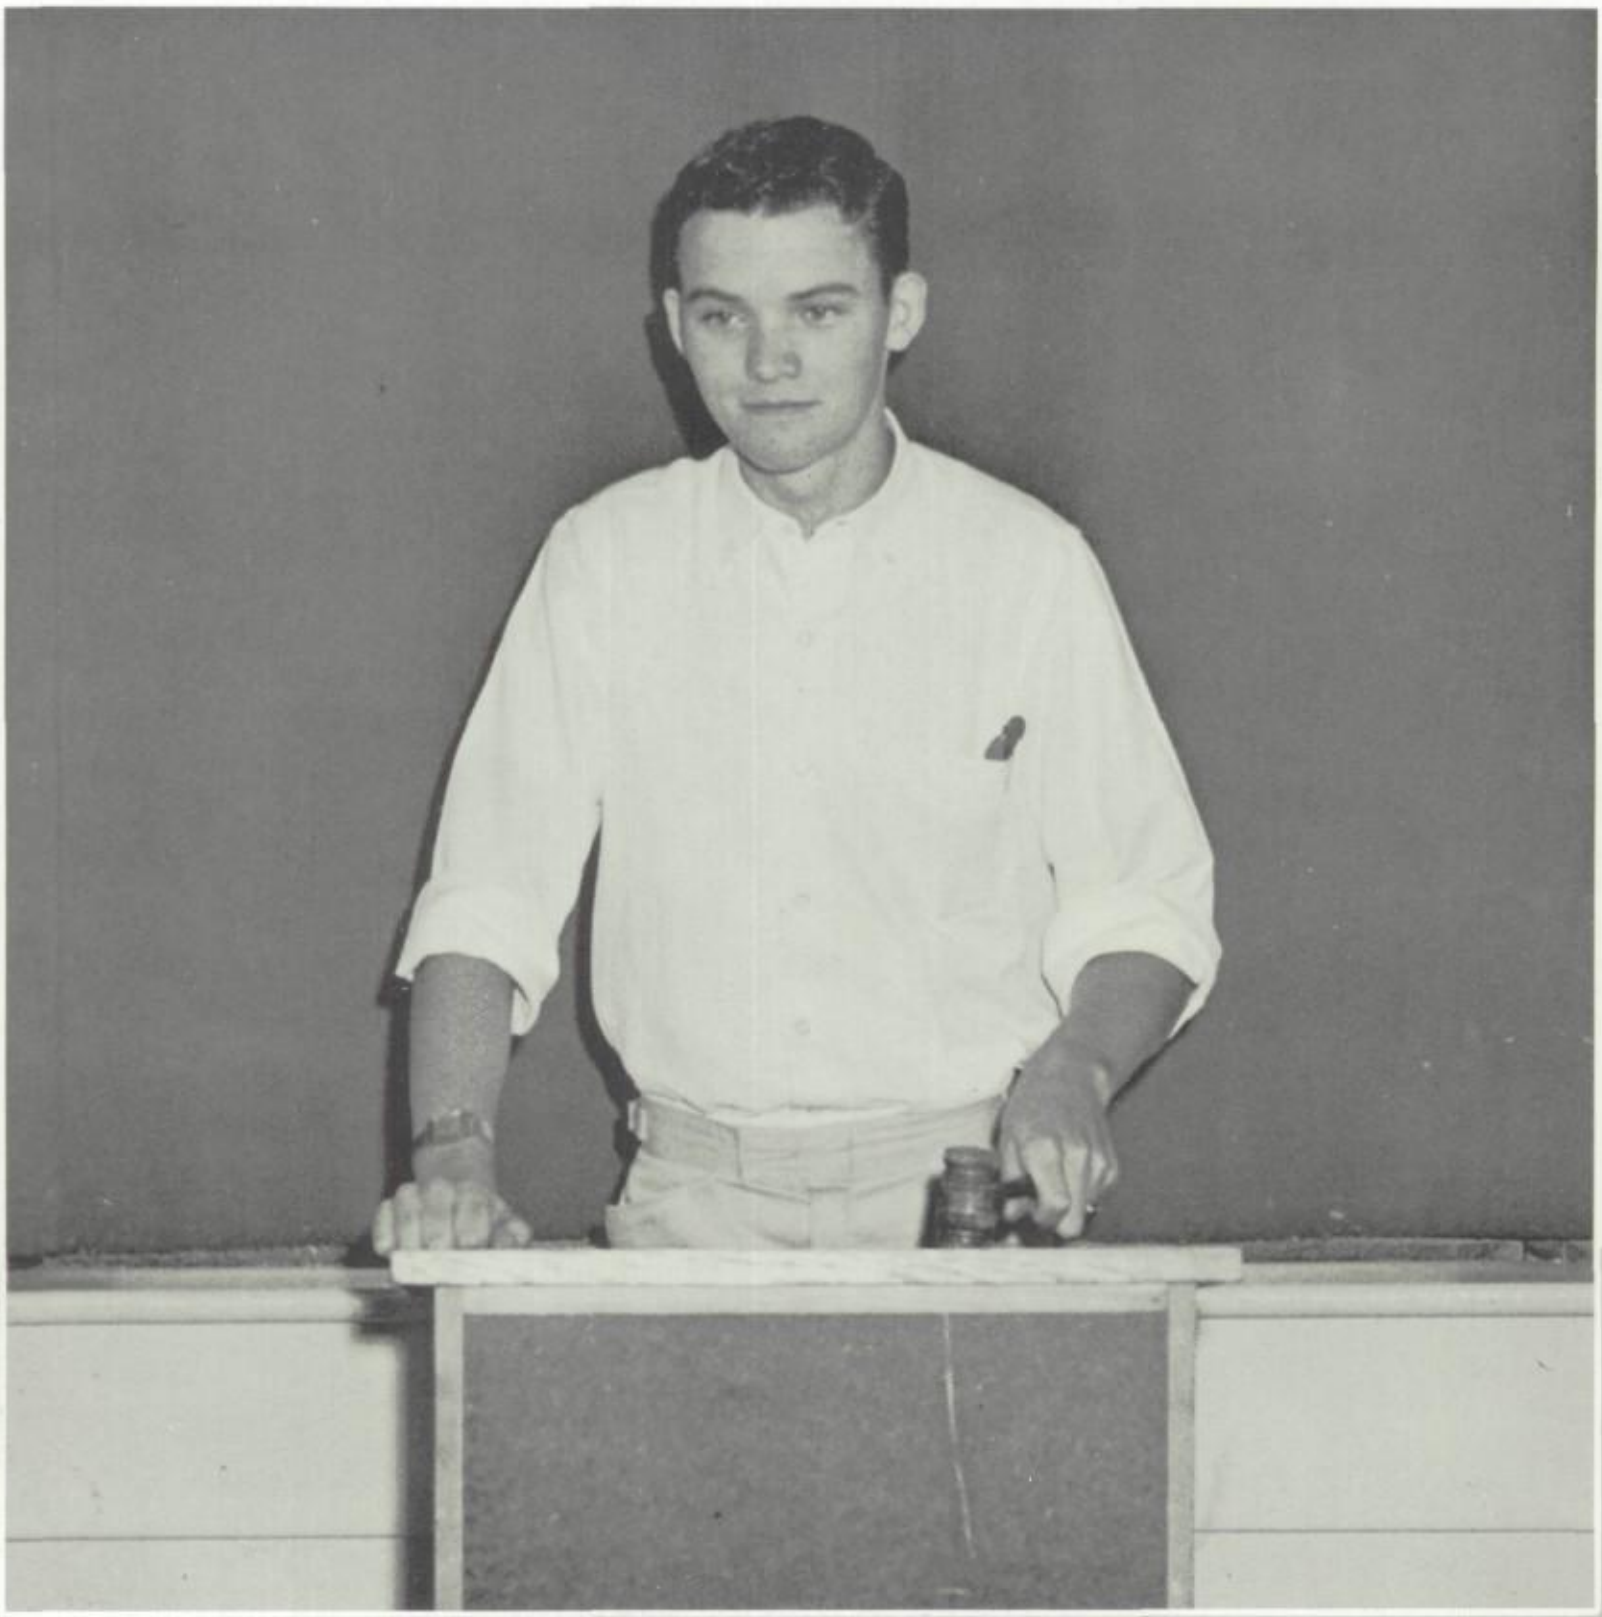
# CLASSES



In the fastmoving "times" of today, leadership is the key word in the future of our country. In the early nineteen-fifties the high school administration conceived the idea of a student governmental class whose basic purpose would be to develop this leadership. Having since then come into existence, the student council, that very class, consists of both duly elected student body officers as well as certain official appointees. Along with the basic purpose of developing leadership goes the all important purpose of developing the interests of the individual student in his government as an operating democratic unit.

Moreover, and in addition to these more fundamental aims, is the one which is so often overlooked—responsibility fostering and developing the interest of the individual in his school, in his government, and attempting to overcome the apathy which at times seems to be the dominating attitude toward government.

On behalf of those whom I represent, I wish to admonish those who follow to be aware of the individual's freedom and cognizant of democratic student government. It has been both an honor and a privilege to have represented the members of the student body.

Jim Langhow

As time brings to a close our final year, the last events in this phase of our lives have been said and recorded.

These past four years have uncovered many trials and tribulations for us; but through diligent study we have prepared the basis for our future.

Our years at P.U.H.S. haven't been devoted exclusively to hard work. The enjoyable moments vastly outnumbered the unpleasant ones.

We, the class of 1960, the men and women of tomorrow, are on the threshold of our careers. We must look to the future, always striving to attain the largest measure of success.

Upon leaving, we wish to emphasize the continuance of the present standards which we hold in high esteem.

Farewell, P.U.H.S., the fond memories of yesteryear will linger forever in our thoughts.

SENIOR COUNCIL REPRESENTATIVES
Tom Henderson and Flossie Tomicich

SENIOR COUNSELORS
Mr. Wilfred Wilenius and Mrs. Marjorie Richardson

The biggest and final step toward graduation has finally been taken by the Seniors. We, the class of 1960, are relieved that these four years have passed with such success, but at the same time we are also a little sad to realize that we are leaving.

We will have many wonderful activities to look back upon in the future. The Senior Play heads the list followed by such events as the Senior Assembly, Welfare Drive, the Senior Breakfast and the Senior Party.

At this time we would like to extend our gratitude to our counselors, Mr. Wilenius and Mrs. Richardson, for helping us make these years a success.

# Senior Assembly

The Seniors came through once again with one of the best assemblies ever to be presented at P.U.H.S.! Because this was the last chance for most of them to participate, a great amount of extra effort was put forth on the part of the students.

The scene of the assembly was on the exotic Island of Bali Hi in the South Pacific and the theme was carried out in the form of a play.

You're not really going to cook me?

Hubert, what **have** you been doing?

"Witch Doctor," Gary, leads a tribal dance.

King Cooky gives Hubert the pot!!

Agnus drags Hubert away from the beautiful island of Bali Hi.

Barbara twirles on the island of Paradise.

Sit down Agnus you're out of your head.

# Junior Class

The jumpingest junior class ever is the class of '61. The juniors are really appreciating being upper classmen after taking two years of being the lowers. Besides contributing to the welfare drive, the juniors put on a jiving class assembly, the junior play, and the Jr. Sr. Prom.

# Junior Play

Betty McDonald—(Kathy Ratigan)

Don McDonald — (Bill Kramer)

Ann—(Connie Leming)

Joan—(Ellie Jolliffe)

Margo portrayed by Judy Zontek and a few more of the cast study the Proceedings?

Sandra Reisig, Arlene Souza, Ray Bledsaw and the rest are part of the fabulous cast.

Mr. Considine reads over the hilarious script "Onions in the Stew."

Linda Cooper and Pamela Simmons are the prompters.

People are running frantically around searching for misplaced props, people are standing by themselves with a concentrated expression mumbling the same thing over and over, make-up is strewn from here to yon, and hysteria is mounting. What is this great event—a premiere on Broadway?

One man seems to be everywhere, pipe in hand, one calm guide in the middle of turmoil. A dark-haired boy is trying to remember just what he says when he asks the McDonalds how they are. Several people are beginning to wish they'd stayed out getting cokes and never come back. A few girls have reached the breaking point and are breaking noticeably. What is it? Of course it could be nothing else but our own Junior Play and there're "Onions in the Stew."

# Junior Assembly

Ah, the virtues of that "Good Old *Mountain* Dew"! $H_2O$, of course.

The European performers, Barbara and Glenna bring culture and beauty to the Country Circus.

Ma! The villain's come for our sweet little Nell!

"Gurgle"

Mike, Les, and Charles sing those "Cotton Fields Back Home"!?!?

Running . . . Bear.

Jacquelyn sets the mood for dreaming.

Willy's dance enhances.

"Step right up, folks, and see the show!"

"Come one, come all! See the Greatest Little Show On Earth!" the Country Circus barker is crying; so people walking through decide to stop and watch the show. It's 10c adults and 5c children and it promises entertainers from Europe and Broadway. So what have we got to lose? "Hurry! hurry! The first act's about to begin."

Say, this show has everything! They got a *ballet dancer, they do. They got baton twirlers,* they got Smelley Smith from Camp Kookamonga and say, they got pianner playin' that says "come, listen." Hey, look at them city-slickers. What they got them white coats on for? See the Indian dancers, and the gal in black what's doing the tappy-dance! By gum! They got actors too, Broadway ones! That sure is a good stompin' song about the "Good Ole Mountain Dew". Say, this *dance with the twirlers with them black tights* has a beat! Where's the rest of it? What? Is the show over? By the Great Horny Owl, I sure did have myself a good time, didn't you?

"They were swimming in the . . . we-ell, , ,

"Them big guys get everything!"

# Sophomore Class

Les Guthrie, Pres.; Bob Christi, Treas.; Janet Falconer, V.P.; Pat Anderson, Sec.

The second year holds forth for the Sophomores another year of experience. Along with the other classes, they have gained much scholastically as well as in activities. This year they participated in the Welfare Drive, class picnic, and a "swinging" class assembly.

# Sophomore Assembly

Ron tells about the Army.

Signa displays some expert twirling.

These Beat chicks will always remain "Side by Side."

Who's your friend, Dave?

The Beats take the cool piano to ear.

Janice swings the "Shepherd Blues."

A typical Beatnik scene.

Schade and Mitchell pound out some long hair jazz.

Like beat!

For their second assembly at P.U.H.S., the Sophomores presented a real "beat" assembly this year. Gathered in an Espresso House, a typical Beatnik day was exhibited. A large variety of talented acts kept the audience fully entertained.

Susanne and Andrea give Judy a hand.

Where's the Olympics?

Like sob.

Jan and Terry do a snappy routine.

# Freshman Class

Freshmen are something classified as "greenhorns" when they first enter the threshold at P.U.H.S. School time for the Class of 1963 will be filled with plenty of activities. If their first year is any indication of the future times to come assemblies, extra-curricular activities, and other action packed events will shape this class into one of this schools finest. With fine leaders to guide the group a well balanced program will be carried out. As time goes by a knowledge of life, love and death will be learned by the leaders of tomorrow.

# Freshman Assembly

A cool artiste swings.

He used two dabs of Brill cream.

A toy shop was the setting of one of the best freshman assemblies seen here in the last few years.

When the shop was closed and the toymaker had gone to bed, the dolls were awakened by grandfather clock each in turn and they danced and sang their way to success. As dawn drew near and the dolls became weary of play, the Fairy Princess sent one by one, each doll back to rest.

Does smoke get in his eyes?

A terrific toreador.

Summertime in the doll shop.

Al Jolson.

A wild, wild Charleston.

Two cute dolls twirl.

The dolls look rather sleepy.

# Orange and Green Staff

Susan Mills, First semester Editor

The Orange and Green is the student newspaper. Thirty issues are published. 1250 copies of each issue are printed by the Porterville Recorder.

The news is collected, written, and edited by the staff and reporters as follows: First semester Editor, Susan Mills; Second semester Editor, Mike Stateler; Gail Gray, News Editor; Judy Baxley, Feature Editor; Jim Lithen, Sports Editor; Diane Anderson, Business Manager; Rod Ballew, Advertising Manager; Terry Hargett, Circulation Manager; Kyle Melton, Photographer; Rod Ballew, Patti Beard, Jeff Cole, Katy Cox, Rita Encinas, Donna Ganey, Sue Jennings, Shirley Kubista, Lynn Nord, Cheri Walker, Reporters; Mr. James B. Simerly, Advisor.

The Orange and Green plays an important role in the lives of P.U.H.S. students for through its columns they become informed of past events and activities coming, concerning student life-on-campus doings, sports, and academic achievements.

Student leaders, school officials, and Porterville merchants give the Orange and Green their cooperation; thus helping to keep this student newspaper a credit not only to P.U.H.S., but to the community as well.

# California Scholarship Federation

The P.U.H.S. branch of the California Scholarship Federation is intended to promote and encourage academic achievement.

To be eligible to join, a student must meet the qualifications set up by the organization.

The members of the Porterville C.S.F. have attended fall and spring conventions with out-of-town C.S.F. club members, given a party honoring the seal bearers at which the new life members received their pins, and had a marvelous time on their annual field trip.

With an eye to the future, the club is working to further scholastic achievement at Porterville High School.

This year the Girls' League divided themselves into four groups according to classes and adopted appropriate names. The Seniors are called the Steering Committee and are responsible for the organization of the whole club. The Juniors operate under the name of Usherettes. Their duty is to usher at various functions in the auditorium. Serving at school functions makes up the duty of the Suzettes which is the name of the Sophomore division. The Freshmen group is responsible for welfare.

Other activities sponsored by this club were the Senior-Freshmen Tea and the annual Blossom Day Dance held in the Spring.

# Spanish Club

Officers, ROW ONE: S. Fink, Historian; J. Phillips, Vice-Pres.; M. Santiago, President; B. Smith, President. ROW TWO: L. Moore, Treasurer; J. Endsley, Secretary; F. Baker, Secretary. ROW THREE: Mr. Wilenius, advisor; B. Falconer, Treasurer; Miss Lamb, advisor.

The Spanish III Club is named Sociedad Honoraria Hispanica. The name of our chapter is Simon Bolivar.

The purpose of the club is to recognize high achievement in Spanish by students of secondary schools and to promote continuity of interest in the Hispanic Studies.

A regularly enrolled student of a secondary school who has maintained an honor average in the study of Spanish for at least two semesters is eligible for membership.

Members may continue their active membership for at least two semesters following the cessation of their study of Spanish. Thereafter until graduation such a student may be an associate member.

# Latin Club

Latin Club Officers: Steve Hickerson and Signe Johnson, Consuls; Jane Muller, Treasurer, Susan Hansen, Secretary.

The purpose of the SPQR Club is to provide relaxation and rest from constant study and homework. The club is designed for pleasure and fun only; not as a study group.

Anyone taking Latin is a member of the SPQR (The Senate and the Roman People) and students who have taken two years of the language previously are eligible to become honorary members.

Several major projects are planned each year instead of many minor ones. These projects include initiation of new members, a party in Roman costume, a sight-seeing trip, and a picnic.

# German Club

ROW ONE: S. Jennings, S. Ervin, S. Duguay, S. Landers, D. Roberts. ROW TWO: J. Work, K. Ratigan, K. Vaznaian, B. Adelsbach. ROW THREE: C. Londquist, H. Espinoza, B. Young, S. Bate. ROW FOUR: Mr. Reimer, instructor.

Since this is the first year that the German Club has been active, its first activities have been largely organizational. A club Constitution has been formulated and accepted.

The club serves both a social and an educational function for its members. Its social program has included a caroling party during the Christmas vacation, in which several German carols were sung for some of the German residents of the community.

German club also seeks to further its members' knowledge and appreciation of the culture which lies behind the language they are learning. They hope to have as part of their program, German films and records, as well as contributions from recent arrivals from Germany in the community.

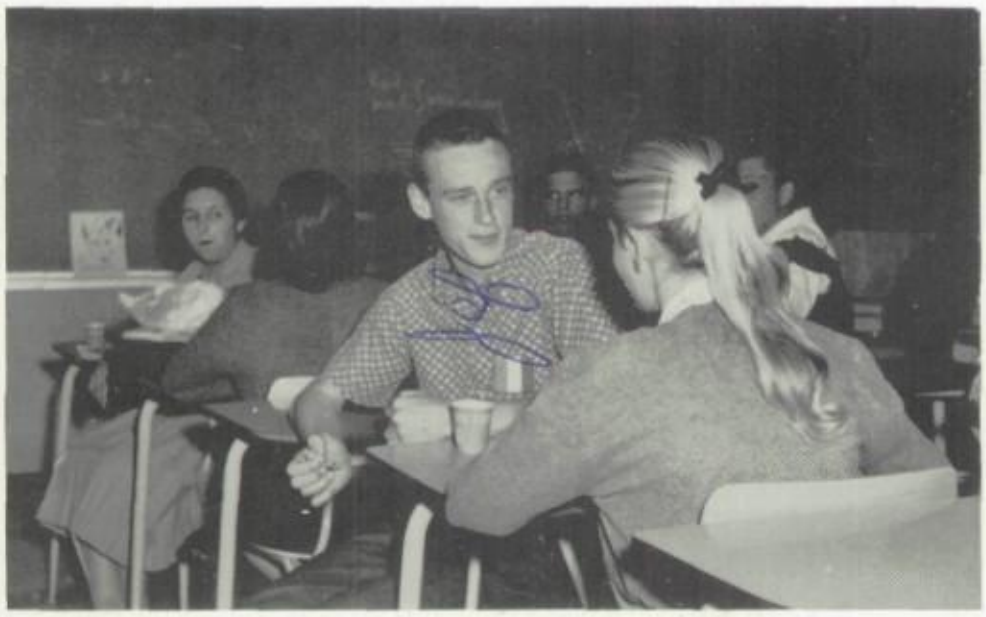
# French Club

Le Societe Francaise is a club which all French students may join. In the club the members learn about French culture from their study of the language and through social gatherings.

The main project for the year is the awarding of a scholarship to the outstanding French III member of the club.

Aha! A private tete-a-tete! Vive la French initiation!



French Club officers: S. Rossman, treasurer; J. Hastings, V. Pres.; J. Baker, Pres.; B. Kyker, Sec'y.

Audio Visual, ROW ONE: S. Clark, President; J. Hurst, Vice-President; D. Young, Secretary; D. Waller, Treasurer; P. Bruemmer, Sergeant-at-Arms. ROW TWO: R. Lewis, L. Flynn, T. Hunsaker, K. Hinton.

# Audio-Visual Club

The Audio-visual Club does a good deal of service on the campus in helping teachers set up audio- visual equipment, keeping the equipment in working order, transporting equipment from place to place, and handling films. Members of the club also help with community activities, class assemblies and other local events. Through its devotion of time and effort the Audio-visual Club has well earned the thanks of many organizations.

# Photo Club

For all P.U.H.S. students who are interested in photography, the Photo Club has been developed especially in their interest. Although the class is not limited to boys, there have as yet been no girl students. The members learn how to take good pictures as well as develop them. Meeting evenings as well as during activity period, this club provides many hours of pleasure.

Photo Club, ROW ONE: Advisor, Mr. Fred Seibel; J. Threlkeld, Secretary-Treasurer; D. Luallin, Vice-President; G. Atkins, President. ROW TWO: E. Townes, D. Mohler, A. Harness, D. Ensign, B. Quandt.

Craftsman's Guild, ROW ONE: J. Elsworth, C. Riddle, D. Lalanne, D. Hurtado. ROW TWO: M. Tharp, Advisor, Mr. John Herrell, D. Ward.

# Craftsman's Guild

This Organization is a social club for students taking any industrial art course. The main purpose is to develop leadership and fellowship within the group. Activities for the year consist of a winter swimming party at Hot Springs, a spring field trip to observe various phases of related industry and to give recognition to industrial art students at P.U.H.S. A craftsman Guild Industrial Art Award is being contemplated for the spring of 1960 where each student may enter any items he has constructed for judging and recognition.

# F. F. A.

Ten outstanding Future Farmers attended Camp Lillard, at the State Fair in Sacramento, just before school started in September.

Twenty-six Future Farmers exhibited at the Tulare County Fair and won $498.00 in prize money.

Fifty-one "Greenhands," who are the new agricultural students entering F.F.A., were initiated into the chapter in October.

During the past year the Porterville Chapter received the Master Chapter Award from the State Association and was selected as one of four from the 230 chapters in the state to compete in the national award contest.

# Freshmen Hi-Y

The Freshmen Hi-Y is a division of the Hi-Y which is associated with the Y.M.C.A. The purpose is to promote high ideals of Christian character, good sportsmanship, and service to school and community.

In accomplishing this purpose, the boys have done such things as clearing brush away from obstructed road signs, picking up litter, and playing basketball.

Freshmen Hi-Y, ROW ONE: D. Wells, President; B. Wilcox, Treasurer; W. Traeger, Vice-President; J. Sunderland, Secretary; D. Dunbar. ROW TWO: C. Wheeler, E. Berryhill, B. Carganilla, L. Hooper, T. Cox. ROW THREE: V. Child, G. Boyer, M. Seamen, P. Carganilla, Mr. Bastady, Advisor.

# Hi-Y

"Imps" Hi-Y is affiliated with the National Hi-Y Fellowship, a branch of the YMCA. Its motto: "To create, maintain and extend high standards of Christian character throughout the school and community."

As its service project for the school for this year, the Imps Hi-Y printed and distributed basketball schedules to all members of the student body. This project was financed by the sale of football programs.

Other activities included the entry of a decorated car in the Veterans Day parade, Christmas caroling at the State Hospital, and several social events held in conjunction with other YMCA groups in the county.

The club also sent several members to YMCA conferences in Stockton and Yosemite.

In the spring the club conducted tournaments for both the club members and for other YMCA groups in the San Joaquin Valley. Table tennis and badminton tournaments were also played this year.

# Chess Club

This club was organized for persons interested in playing the game of chess, providing them with an opportunity to get together and discuss the fine points of this game while improving their skill.

ROW ONE: D. Roberson, Secretary; R. Chrisman, Treasurer; L. Keller, Vice President; D. Brown, President; H. Gong. ROW TWO: L. Henderson, B. Gill, L. Babcock, T. Hester, A. Dewitt, B. Hopper.

# Classics

The Classics Club was organized by the Humanities class but is open to all interested students in the school. The club is intended to provide fine art experiences for its members by exchange of ideas, outside lectures, and other cultural activities.

This year the club's project has been to raise enough money for a scholarship going to a deserving student with an interest in liberal arts.

# Stage Craft

Without the competent assistance of the stage craft class, no play would ever be presented. This small group is seldom spotlighted, but ask any performer and they will tell you the stage crew is the backbone of any play.

The members of this class learn such skills as lighting techniques, color combinations and sound effects.

Stage Crew: B. Darnell, K. Milton, C. Anderson, D. Doty, D. Scott, K. Sweet.

Y-Teens: M. Goodson, S. Curtis, C. Fenner, J. Hester, D. Marshall, L. Rodgers. ROW TWO: J. Hageman, M. Haun, J. McClanahan, D. Kirkpatrick, C. Brown, B. Nadia. ROW THREE: C. Boosz, L. Graham, M. Morton, C. Kirby. ROW FOUR: J. Hormel, M. Peterson, S. Layfield, K. Rodieck.

# Y-Teens

In spite of the compartively small size of the Y-Teens, the group carries on many activities.

The most widely known activity it sponsors is probably "Operation Santa." This program is conducted for the benefit of our hospitalized Airforce Veterans. Each year around Christmas, presents are collected and sent to hospitals and given to the veterans.

# Science Club

The Science Club's purpose is to acquaint its members with the different sciences through guest speakers from the community such as engineers, doctors, and photographers. The club gives two scholarships a year to deserving students, aids in science fairs, and takes field trips.

SCIENCE CLUB, ROW ONE: F. Turner, Vice-President; G. Hunt, Secretary; K. Gregory, E. Cosby, K. Johnson, C. Willeby, Treasurer; D. Pena, President. ROW TWO: C. Turner, N. Smith, P. Shires, S. # V. C. Y.

One accomplishment of the Bible Club this year was the changing of its name to V. C. Y. which stands for Victorious Christian Youth and at the same time expresses the purpose of the club. Another was to earn a sum for a scholarship by game program sales.

The weekly activities of the club consisted of fellowship through singing, challenging talks and programs. Evening social times were occasionally planned.

The club encourages membership of all students interested whether church or non-church going and of all the churches in the high school district.

# T.A.S.C

The T.A.S.C. is responsible for organizing the present system of limited campus parking, putting the stop signal at Jaye and Olive Streets, the double lines painted on Olive Street from the High School to Main Street, and the pedestrian lanes on campus. The club has received a Certificate of Safety for the first time in the history of the school and has won first place in the Teenage Economy Run for two consecutive years. Besides the presentation of an outstanding Safety Program assembly, the club arranges many other displays about safety both at home and on the highway. Projects are chosen on the basis of which ones will accomplish the most in the light of safety.

# F.B.L.A.

The future of the United States is dependent on the business leaders who are being trained in our schools today. Under the direction of Mrs. Marjorie Bate, the Future Business Leaders of America club helps the members to understand the problems of entering the business field and helps them prepare to meet these challenges.

# Block P

Becoming eligible for membership of Block "P" only requires a boy to have earned a letter in any sport at P.U.H.S. Our Director of Athletics, Mr. Carl Elder, along with Mr. Ronald Kavern, act as advisors for this group.

Among the activities sponsored by Block "P" this year were a dance, and the game between the Harlem Clowns and the P.U.H.S. and Bartlett faculty.

# F. E. A.

The Future Educators of America is a club which is composed of students wishing to major in the education field.

As objectives, the club intends to develop competent teachers and administrators for the schools of our communities, states, and nation; to offer pertinent information and guidance to students who are interested in pursuing a vocation in the field of education; to provide financial assistance to deserving members; to promote activities which will offer experience and training to its members; and to develop in its members the spirit of cooperativeness, and skills of conducting meetings and the qualities of leadership and citizenship.

# Vocal Music

The Music Department includes the Boys' and Girls' Choruses and Glees, the Concert Choir, and the Madrigal singers.

All of these groups take part in the annual Spring and Christmas concerts and the district Music Festival.

The Boys' and Girls' Glees put on programs for the elementary schools and Jr. Highs in the area and the Girls' Glee sings for the Christmas Candlelight service at the Congregational Church.

Numerous performances for service clubs and church organizations have been given by the Concert Choir. This year the high point of the year's activities for the Concert Choir was singing for the opening ceremonies of the Winter Olympics at Squaw Valley. This group also gave a concert in Sparks, Nevada, and performed at the Baccalaureate and Commencement exercises.

The Madrigals made thirty or forty appearances in nearby towns as well as our own community and took part in a Madrigal song fest in Fresno.

# Studio Band

The fabulous Studio Band is famous all over the valley. The members of this group meet and practice mostly on their own time, displaying a tremendous interest in music.

The Studio Band plays at all the major dances in the valley. This year they were seen at many proms, Castle Air Force Base officers' dance, and at the dance held in the Tulare Memorial Hall featuring the number one female vocalist, Connie Francis.

We at P.U.H.S. can be proud to have such an outstanding musical group for our school.

# Rythem Co-Eds

Co-Eds is made up of a group of girls who enjoy music enough to spend much of their extra time bettering themselves in this field.

Most of the girls are students of P.U.H.S. with a few from Porterville Junior College. This group plays for all the major banquets in this area. Among the functions they played for this year a few were the Jr. Chamber of Commerce Banquet, the Lions Club Banquet, and the Junior Class Play.

Orchestra: Karen Johnson, Ellen Cosby, Sharon Quandt, Carol Morrison, Shirley Speers, Eddie Short, Beverly Perkins.

# Orchestra

The P.U.H.S. orchestra is composed of boys and girls interested in keeping the art of the string instruments alive.

The class is relatively small, but it is growing with each passing year.

As yet the orchestra has not played for any functions, but they are looking forward to such engagements soon.

# Cadets

The Cadet Corps was organized to give boys of high school age the opportunity of learning the basic military field maneuvers as well as close order drills, marksmanship, orderly conduct, and good sportsmanship. Contrary to what many may think, the Corps is not a pushover course. Strict discipline is upheld at all time.

# Innovations of '60

Laura enjoys the most popular American pastime . . .

Laura and her new American sisters, Francie and Karin, study together.

## Foreign Exchange Student....

Exchange student program are one of the basic keys to world understanding. This year PUHS has been fortunate to participate for the first time in this program.

Our foreign exchange student was Laura Bosisio, who attended Porterville High School for one year under the American Field Service program. Laura found life in America so exciting that although she was at times lonely for her family, she found it difficult to return to her home in Reggio Emilia, Italy, this June.

Laura was the guest of Mr. and Mrs. Albin Baker and their children during her stay in Porterville. During the year, she visited several local service clubs and other organizations to tell about her experiences as an exchange student.

Two of the most exciting things that happened to Laura during her stay were her unexpected participation in the opening of the Winter Olympic Games at Squaw Valley and free tennis instruction as a part of the high school physical education program.

School subjects in Italy and the United States don't differ too greatly according to Laura, although students here have more freedom of choice. Students in her city have a choice between attending a commerce, science, classic or teacher preparatory high school.

Laura was enrolled in a five year commerce high school, where her subjects were mostly commercial, but were accompanied by considerable science and foreign language. She studied English and French for three years each.

She will have one more year of high school when she returns to Italy, and then her plans will be indefinite. She would like to become an interpreter, but that would mean college, and college isn't for everyone in Italy.

As a member of the Baker family, Laura helps with chores.

Laura and Jane enjoy the activities at Squaw Valley.

## Stoplight at Olive and Jaye...

This year, at last, stop lights have been installed at the intersection of Jaye and Olive Streets.

Through the hard work and diligence of PUH's own T.A.S.C., this once hazardous intersection has been made safe.

# VIII Olympic Winter Games

This year the P.U.H.S. choir and band were honored by being asked to participate in the opening ceremonies of the 1960 Olympics held at Squaw Valley.

The members of these groups traveled caravan style in chartered Greyhound buses.

Their first sight of the impressive Squaw Valley was received when they gathered together for mass rehearsal with all the other bands and choirs attending the function. There were bands and choirs from all over the States of California and Nevada.

Great inspiration was felt by all the students at the opening ceremonies which were nationally televised. This is an experience which will remain in the memories of all who participated after many years have passed.

The whole gang was anxious to get started.

. . . and our teeth chattered!

The scenery was breathtaking and the competition was spectacular.

# Booster Club Song & Yell Leaders

The Booster Club is intended to promote school spirit by encouraging the individuals to participate in school activities and to offer their services to the student body.

Members of the club can win pins and letters by accumulating a specific number of points. These points can be earned by making posters for school events, selling programs at games, and various other activities.

# Athletes of the Year and Queens

## Football

It takes a lot of intestinal fortitude to play the rough and rugged game of football. Our Football Player of the Year, Larry Kirby, has just that. Larry sparked the Panthers with his keen "red-dog" tactics and his teamwork. This gridiron terror was co-captain of the team and was picked for this award by the Quarterback Club. After the season flashed his name in the newspapers and on radio Larry was considered as a definite threat to opposing schools. His actions made other coaches shake in their boots before they met up with sure death!

## Track

Our Track Athlete of the Year is an outstanding supporter of all Panther sports. Pete Adelsbach has the strength and will power to break records wherever he enters competition. Pete was a member of the Varsity Football Squad and he is now displaying other talents which he possesses. Many goals are set before Pete because he is now in his last season and will try and set records in his events that will live forever. Because of his great potentials Pete has been selected as the outstanding Track Athlete.

Queen, Barbara Calkins

Boys' fancies turn to the opposite sex after the sports season ends. Each year the football players select the Queen and her attendants. These girls are favorites of the squad and chosen on a basis of popularity, personality, and general appearance. As the crown is placed on the Queen's head the grid season ends and is written in the record books while the Queen begins her reign.

Attendant, Sharon Giraudi

Attendant, Diane De Paoli

# Basketball

6′ 5″ Maurice Talbot picked up rebound after rebound to set up key plays for the 'A' Basketball Team. "Goose" as he is sometimes called set a new Central Yosemite League record by scoring the most points in a single season. Towering over many other centers Maurice did a terrific job of tipping the ball to his teammates so that his title was well earned. His "dead-eye" aim and his height helped Maurice win the coveted title.

Porterville's sharp shooting star, Charlie Chambers, was co-winner of the Athlete of the Year in Basketball. Charlie helped the Panthers in the efforts to retain their title as league champions. Even though the title wasn't held Charlie was second in league scoring, second only to Maurice. In an overall picture Charlie put up a good offensive and defensive effort.

# Baseball

Bob Byars in his senior year at P.U.H.S. is expected to do great things for the Panther "moundsmen" this year. Bob was all-conference last season and has a very good chance of repeating this tribute again. Besides being on the high school team Bob has more baseball experience because he has played in the Babe Ruth Summer League. Bob's qualifications have nominated him as the Baseball Player of the Year. Bob has several marks in his favor already because of his experience and sportsmanship qualities.

Queen, Judy Baxley

Mirror, mirror, on the wall, who is the fairest of them all? As a highlight of the Basketball season a member of the fairer sex was chosen to hold the title of Queen for the year. A queen is an honorary member of the squad that chose her and will remain in her official position until a new one is crowned, placing the present Queen in the memory book forever.

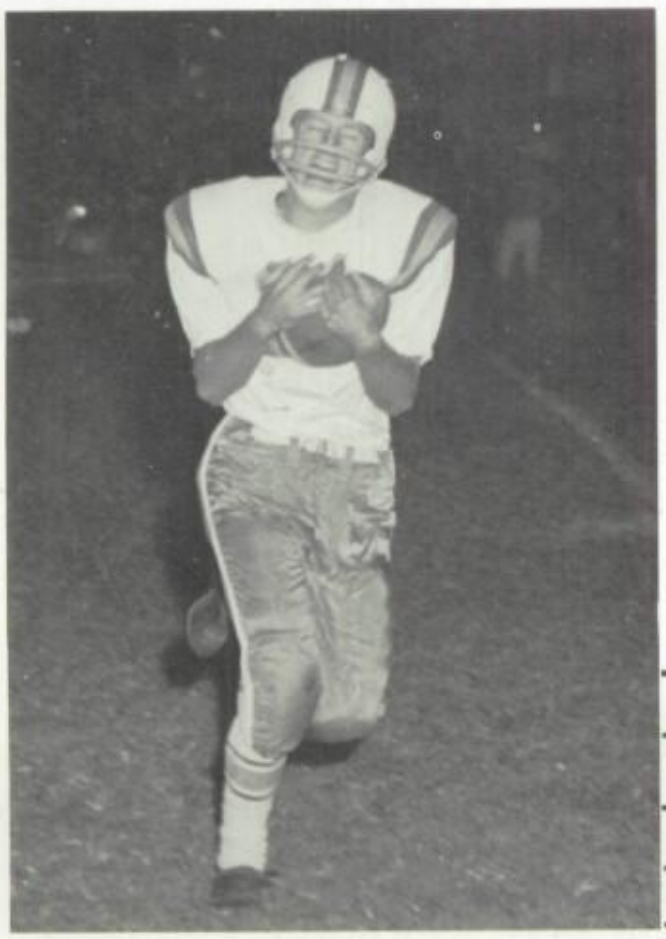
That's the way to go, John!



Jasper catches a pass.

Porterville Union High School Panthers appeared to be headed for their second league title in a row during the 1959 pre-season games, until they met the Bakersfield Drillers. The Panther was expected to be the powerhouse of the Central Yosemite League, but because of a huge amount of injuries the pre-league prediction proved to be wrong. The Varsity team tried hard to win the crown again, but time didn't permit them to meet their goal. Waxing the Redwood Rangers was the only win the Panthers captured during this league season. Mr. Sim Iness, in his second year as head coach, built up a badly damaged line in time for league play while his associate, Mr. John Trantham, taught the backfield to run, run, and run. Long after the final seconds of the last game the crowd will echo the phrase, "Our Panthers are the Best."

# "B" Class Football

"CU-BS, CU-BS, CU-BS" was the yell that led the "B" class football squad through the past season. Mr. Robert Otto and his coaching colleague Mr. William Hatch formed one of P.U.H.S.'s finest teams. As far as seeing action, all the members of the group saw plenty of it. The Cubs went rambling down the field to several victories racking up large scores. With fine potential, sportsmanship, and teamwork as their guiding lights, the "turf stars" walked away from their opposition like the second hand from the hour hand. Time after time the Cubs rallied to prove their practice sessions, where the skills of football were polished, were worth while. When the crowds were waiting for Varsity games, they saw football at its very best.

Captains, Ken Sweet and Cliff Brown.

Coaches Bill Hatch and Bob Otto.

Captains, Tony Morales and Greg Boyer.

Our Kittens were the only football squad that took championship in their classification. The "C's" showed their coaches, Mr. John Herrell and Mr. George Reimer, that they will soon replace the members of the other squads in future years. If a person were to look ahead into the future he could prophesy a great Varsity team in times to come. Showing vim, vigor, and vitality, the largest "C" squad in P.U.H.S.'s history slashed the other groups with an understanding that football is definitely a contact sport. A person could summarize the past season as a period of time that was climaxed by sparkling runs, slashing passes, and spiraling kicks.

# Jr. Varsity Football

Many times during the 1959-60 football season the players, coaches, and managers wished our Junior Varsity could have stopped the clock. The "J. V. gridders" swept past large teams with more man-power and seniority. In other tilts the Panther Cats were halted by lack of experience. Fumbles, intercepted passes, and other mistakes cost the future Panthers the game. As time ticked away on the clock the "turfers" slashed away with the spirit of an army on a victory march. Led by two fine mentors, Mr. Robert Bottoms and Mr. John McCafferty, the J. V.'s finished the time for football action with a new look in school spirit. Since playing on a team or rooting for a favorite squad indicates school loyalty, the Panther Cats feel that they have contributed their part by preparing themselves to be next year's Varsity.

Time flew so fast during the football season that fans hardly noticed the "B" reserves, since they are only in their second year of existence. Again this year Mr. Ronald Kavern was head coach. Only one change was made in the football coaching staff at P.U.H.S. and the "B" reserves were the lucky recipients. Mr. William Joos, former elementary school coach, joined the team as associate coach. Having a full schedule of games just like other Panther athletes, the reserves smashed the barriers of other teams as time progressed. Experience was the reason this team was promoted in the first place. Every boy that made up the group learned through experience in games, the fundamental needs of this exciting sport.

# Varsity Startime

"A tisket, a tasket, we want a basket" was a very familiar yell during the 1960 basketball season. Again as in years past the team coach was Mr. Al Melcer who has led several teams to league championship to prove his knowledge of basketball and its fundamentals has spread to his basketball players. Practice sessions saw the Varsity working overtime to polish up their "team-work" so that they could win and repeat their title of league champions. A Panther motto might be "If at first you don't succeed try, try and try again." The possibility of being League Champions was dropped when they were clobbered by other league opponents during the time when the flue bug hit our campus. We salute our basketball athletes in their labor to represent our school during the past school year. In pre-season tangles the Panthers came in second place in Bakersfield's Tournament for senior high level.

# Junior Varsity

Coach Ron Kavern and his Junior Varsity Basketballers crashed through one of the best seasons in many years. With the spark and drive of a championship team our Panther Cats wouldn't stop when defeat looked them in the face. Their courage, ambition, and lust for blood dubbed them the most feared club in the league. Playing the preliminary game before the Varsity the J.V. club had great support and responded splendidly with an excellent season and their show of knowledge their able coach Ron Kavern passed on to them.

# "B" Class

If a person were hired to summarize the past "scramble" of Basketball action, as seen through the eyes of the coach, he might say, "We're on our way; we can't be stopped." Mr. John Trantham really sparked his "B's" into winning for their school by his constant drive and stamina which evidently brushed off on the Cubs. Because the team played at odd times, sports fans were kept away from the games at first but when the win column began to rise so did the number of spectators. As we review the exciting and action-packed season, we know that the Cubs of 1960 will never slow down but go right on to the top.

With a host of fine young talent, coach George Reimer molded around his older boys one of the smoothest working basketball machines in the league. Playing without much support at the away games the "Kittens" surprised everyone by clawing their way through the league games and clobbering some of the toughest competition around. Coach Reimer claims that the name "Kittens" doesn't do this tough little club justice. They might be small but they exert as much energy toward winning as any club twice their size.

# Wrestling

On television you hear of "toe-holds" and other fake sayings, but during our Varsity Wrestling season you could hear such terms as "half-nelsons," "referee's holds," and "pinning combinations," because our wrestling program is real action, not just a big show. Several returning lettermen helped the team reach the zenith in the eyes of ringside viewers. As the grapplers learned by experience they improved their record of bouts won and decreased their loss column. Different holds were learned as taught by Mr. Robert Otto during the practice mat sessions. When the outlook for a meet didn't look so hot the team members joined together to brighten their scope and head for victory lane. As the referees gave our "matmen" points they also gained in the skills of this exciting sport.

# Cross Country

Coach Orval Gillett.

Cross Country activity under the capable leadership of coach Orval Gillett captured third place in the Varsity division and second in the Frosh-Sophomore league. They literally ran over some of the toughest teams in the league and scored some impressive victories as far as points are concerned. Running through all sorts of weather conditions and over all kinds of rough terrain the Panthers tore up the paths of the Murray Park course while burying their foes and facing defeat to some very powerful teams.

Both squads proved to their coach that determination and rigid training pays off during sports time.

Along with our Concert Choir and Panther Band the Cross-Country squad played an important part in the Winter Olympic Games. The carrying of the Olympic torch was a highlight for the members of the '60 team because it was an honor for our athletics department to represent our country in this Olympic event. Each member carried the torch a mile on its trip to the Olympic site at Squaw Valley from the Los Angeles Coliseum, the site of the 1932 Olympic games.

# Boy's Swimming

The frost is on the pumpkins and the ice is on the pond. This is the day our Panther swimming team enters the water! With tank suits, towels and ice picks as standard equipment, and coaches bundled up in top coats, scarves, and stocking caps, the teams prepare for a victorious season.

Their spirit doesn't falter a bit and they enter the water with a brave seriousness to begin an exciting year for both boys and coaches.

Under the direction of a new head coach, Mr. Phil Lindgren, our cubs and Panthers worked hard to make it a fabulous season, and now that the year has terminated we see they have lived up to our greatest expectations.

Mr. Phil Lindgren, Coach

Neil shows his form.

They're in the air!

Our free style relay team.

# Baseball

Slugging their way through a massive league schedule, Coach Bill Hatch's Panther baseball team will have an action packed season. With a large turnout of young men this year's squad will have the depth that is needed to win games. A pitching staff of several veterans will give the extra boost the "diamond-men" need. Great things are expected of the 1960 "A" class baseballers.

More and more as time rolls along people are realizing that through sports people are united. Baseball brings about better understanding because it is a sport in which there is is world wide participation.

# Jr. Varsity

As the cheers of the crowd ring in the ears of Coach Ron Kavern he knows that his J.V.'s will be better than ever this season. A very fine group has assembled to play their hearts out in a sport they all enjoy. All of the players are devoted to a team effort whether they play infield or outfield. In the short period the team has to develop a winning combination it is going to be tough, but the Panther Cats will be in their "pitching" all the way. The 1960 Junior Varsity prepared themselves for future vocations by rugged practice sessions and through competition with other schools.

Mr. Ron Kavern, Coach.

ROW ONE: Gilbert, R.; Falconer, A.; Brooks, J.; Sanderson, L.; Treager, W. ROW TWO: Young, V.; Unser, M.; Musgrove, E.; Wheeler, C.; Clark, W.; Hurtado, D. ROW THREE: Wheeler, D. Shivers, B.; Zontek, J.; Smith, J.; Stephen, B.; Geller, J.; Hurtado, M. Not Pictured: Sherri Kitch, Scorekeeper.

ROW THREE: James, M.; Mulliniks, W.; Giddings, D.; Donaldson, D.; Rush, W.; Dunbar, D.; Brazell, D.; Dulay, B.; Cox, T.

# Frosh

Mr. Larry Russ, Coach.

As the sound of the ball connecting with the bat echoes around the globe sports fans everywhere realize that the baseball season is here again. When this time comes you can see kids on sand lots and young men on the playing field. Mr. Larry Russ is starting to put together the Frosh team and among the players there are the Panthers of tomorrow. The all Freshmen squad will toil hard to represent their alma mater well. Through the rigid practice and strict training regulations the Frosh will become one of the finest teams around.

# Golf

ROW ONE: D. McCuen, D. Wright, R. Knight, C. Givon, H. Green.
ROW TWO: L. Durtsche, J. Berg, D. Kirk, A. Wallace, D. Klassen, L. Lindgren, G. Bate, L. Hill, E. Motely, D. Coleman.

We seldom get to see our Panther golf team in action but if someday you happen to stop by the course, you'd see as much pep displayed as by any other of our championship teams.

Under the able leadership of Coach Tracy Armstrong, our Panther golfers teed off on an exciting and fruitful season with some impressive victories, while hitting the sand traps a couple of times by losing to some able and capable teams.

Some of Coach Armstrong's ability must have rubbed off on our Panther golfers because they trained like champions, sinking putts and practicing drives to put together a great season. The team wound up at the end of the year twice as good as when it started on its rampage.

Hockey, anyone?

Right: Coach, Tracy Armstrong.
Bottom: George practice putts.

# Tennis

Love is not an expression of emotion in tennis, but yet the match-makers put forth every effort to improve their form and serving quality. After the polish was applied, the court terrors began to make their moves. As the season progressed, the record of the team grew to a margin of tops in sportsmanship and companionship so that the squad was making sports headlines. Mr. Robert Smith and Miss Janet Monson were the able leaders of the netters. Practice sessions saw the ball lobbing over the net, but, of course, that's the way the ball bounces! Deuce is another term in this action-packed game but is used when the score is 40-40.

# Track

Jasper clears the hurdle!

Cliff lets the discus sail.

Track Team, ROW ONE: T. Morales, D. Lalanne, R. Christl, B. Nicholson, J. Garay, V. Childs, R. Lambert, S. Bonilla, P. Simpson, P. Carganilla, G. Boyer, D. Nuckols, D. Cagle. ROW TWO: O. O'Brien, L. Gill, R. Johnson, W. Brown. ROW FOUR: R. Houghton, P. Goldsmith, K. Bovetti, C. Schmetgen, P. Adelsbach, H. Holland, E. Keck, G. Mays.

Victory, Victory is our cry, V-I-C-T-O-R-Y.

This very familiar yell echoes across the sands of time as our track stars develop their personal skills. Races were run in record time and new heights and distances were reached in the field events as this shaped a very powerful squad led by Mr. Orvall Gillett. Assisting the head coach were Mr. Bob Bottoms and Mr. John Herrell. What some people might think were flying saucers were just the discus men throwing the oval shaped weight to its destination. In competition there is always a winner and a loser but at P.U.H.S. we like to be on the best end and with the line-up this year we are sure to be at the top when action ceases.

Running a hard race, boys?

Pete gives the shot a hefty toss.

Blasting off???

Dick goes up and over.

Pull that foot up or you'll miss!

A Psalm of Life
Life is real! Life is earnest!
And the grave is not its goal;
Dust thou art, to dust returnest,
Was not spoken of the soul.
Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footsteps on the sands of time.

Mr. Arthur Graves, died on the tennis courts of Porterville Union High School May 26, 1959, where he had taught since 1933. He will long be remembered for his faithful service.

Mr. John H. Dossey, died in his home on March 9, 1960. He was an employee at Porterville Union High School since 1955 and served the students and faculty with helpful assistance as a custodian.

As the clock strikes twelve the El Granito Staff has completed another yearbook. We the senior staff, Lynda, Donna, Mike, Marilyn, Vernon, Nancy, and Floyd have enjoyed using our time to produce a yearbook we hope will remain in your happy memories of high school as time goes on.

Darling

As time ticks on, tic-tac. the have has a terrible (but fun) time trying to catch Harry (etc., etc. (I was a poet I'd put this in verse: but seriously, I've been wonderful to me) (if possible) (I mean it has been swell! It's new, that was a patient (I had a lot of fun while it lasted. Good luck to one of my very best friends + - - - good luck with Harry! God Bless you forever, a good friend always, Joyce (of course)

be good - - - - - -

and then, I guess I'll really

enough money to buy some

But maybe I'll have a blast

Tho I'm not so sure

nous, I hope!

next year, I hope, we can go

because we still have a lot of

(I wish you could get

(I wish you were like you

(I wish you were nice,

(I wish you were cute,

(I wish you were rich,

(I wish you were mine,

(I wish you were here,

(I wish you were there,

(I wish you were everywhere,

(I wish you were anywhere,

(I wish you were somewhere,

(I wish you were nowhere,

(I wish you were

(I wish

Kathy you are a lot of fun. I have only known you one year but please I hope to know you better in the futer.

Yours
Ken Richardson

P.S. Please don't think me to stupid because I call you and June "SWETTY PIE"!

-Kathy-
You're a very sweet girl I wish all the girls in the world. Good luck,
Sandra Strong

-Kathy-
Wishes and
Best of luck in the future
Good luck
John "Sweetie" Smith Jr.

Kathy -
Good luck to a real sweet girl. I'm sure you'll make many friends and have a lot of fun. Don't worry about tests. Just study and you'll make good grades. Remember "Rebel" & all those cute boys. Stay as you are now.
Your,
Barbara "Jodel" Jodel

Kathy,
To Mary,
very, very
very best girl
friend. I can re-
member the first
time Margaret introduced
me to you, we were both
freshmen at the time and we
have gotten to know each other a
lot better since. At first, I guess you
had your doubts about me, too. Things
sure changed since and well, I guess you
have about me, too. Things
have changed since and I certainly hope
we remain good friends. You've got a wonderful,
silly personality that I think that maybe
to get you where you're more understanding and
in the future I will be more patient as you like him.
to help you with your problems, that is I find up be-
I really do hope that I would like as much
that he likes you as
I. think and expect it to be. I have an idea
and of course I certainly hope that next year
that you will go a long way. Remember the Band concert
you will perform again and I hope that
you will go a long way. Remember the Band concert
that you will perform again and I hope that
can see your self marching in those two nights, I
when Raffel Mandez (spelt wrong, I doubt it I'll ever
remember graduation night? Those
think were very important and I don't
forget them. If I seem grouchy, irritable,
moody or because I feel a little out jealous
Please forgive me. God Bless You
may
and keep You
always.

Love,
Shirley

P.S. HAPPY
Birthday

Kathy
To a real
sweet girl. Stay
as sweet as you are
and you'll go far. Lots
of luck in the future.
Always
Jan Hargo

Kathy
To a real nice
girl. I have enjoyed
having P.E. & Eng. with
you. Wish we had some
more P.E. Haven't we?
Loads of luck &
whatever you do.
A friend always.
Judy Clem

— Kathy —
You are truly
a wonderful girl
that is so understanding
& always have
the very best of everything
and I truly hope I have
some classes with you
next year. Best Wishes for
the future.
Love Always,
Andrea

Katty-
So a real sweet
Xmas prayer. Don't
think I'll ever forget
Spruce Valley or you
and I'll see you next year
Be good this Summer
Merry Xmas

Kathy,

I'm very much to my very dear friend, enjoyed so very much having you in band and this semester. Before you got in I was usually lying on the floor in the band room. It was a lot of time. It was excellent. The rate you played (2 overall) was really good. I wish you the best of luck with your future endeavors. Keep up the good work. Kathy, never give up and know that I love you. Remember, I'll be waiting for you to get on the band next year. Be sure to be the best of people you can be. Never disband and be disappointed in yourself. Be real good and have a real good this summer and have fun. Be real good Kathy. God bless you. Be good and be sure to be a friend always, I hope. A little freshman.
